Subject: Call for Contributing Technical papers / Sponsoring / Advertising in the souvenir / Nominating participants for the one day National workshop on Failure Analysis of Fasteners (FAF-2015)

Dear Sir / Madam,

I have pleasure to inform you that the Society for Failure Analysis Mumbai Chapter in association with Pillai Institute of Information Technology at New Panvel is organizing a one day National Workshop on “Failure Analysis of Fasteners” that is supported by American Society for Quality, Mumbai Local Member Community.

The objective of the workshop is to expose large section of technical community to all aspects of fastener technology that will provide out of box thinking for minimizing fastener failures.

The workshop consists of invited and contributory lectures by the faculty drawn from academic institutes, research establishments and industries who have worked extensively on different aspects of fasteners.

In this context I request you to widely publicize the event and send contributory papers related to the theme of the workshop. The abstract of the paper may be submitted by e-mail by July 6, 2015 and the full text latest by August 3, 2015.

In order to achieve our objective, we need active participation of Industries, Research and Educational Institutes. I therefore request you to sponsor / advertise in the souvenir / nominate participants for the workshop. I am enclosing the brochure that contains all the details of the workshop and look forward to your positive response.

Prior confirmation of your participation can also be done by e-mail. Kindly send application form along with draft / cheque drawn in favour of “SFA Mumbai Chapter” payable at Mumbai.

With warm regards,  
Sincerely

Prof. R.C. Prasad
