

**Pillai HOC College of Engineering & Technology
&
Society for Failure Analysis Mumbai Chapter**

**Industries - Institute Lectureship Programme
On
Technical Education to Meet Local & Global Challenges through:
Teaching Research Synergy & Education Industry Interaction**

The Pillai HOC College of Engineering & Technology Rasayani in association with industries & professional societies has started Industries Institute lectureship programme to enhance industry experience for students & faculty. The Objective is to bridge the knowledge gap between existing course curriculum & the actual requirements of the industries & connect research with industrial problems.

This programme is planned in association with Education Excellence Forum of CII western region on how to shape engineers for tomorrow, innovate through interaction and provide competency based education (CBE) for employers.

All are cordially invited.

Venue: Conclave, 1st Floor, Pillai HOC College of Engineering & Technology, Rasayani

Date: Oct 12, 2018. Time: 13.30 – 16.05 pm.

13:30-16:05
