Subject: Appeal for Sponsoring / Advertising in the Souvenir / Nominating participants for the one day National workshop on "Recycling Metals, Plastics & Scrap Tyres : Circular Economy Road map to Build a Green India & HACKATHON 2021".

Dear Sir/Madam,

The Innovation Council of The Mahatma Education Society's PHCET Rasayani is organizing a one day National workshop and HACKATHON 2021 for school and polytechnic students on "Recycling Metals, Plastics & Scrap Tyres : Circular Economy Road map to Build Green India". The objective is to bring industries, academia and professional societies on one platform to share knowledge of recycling and waste management for circular economy to increase public awareness for sustainable behavior, sensitize students and the public to meet the challenges and opportunities in waste management for circular economy.

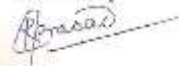

The workshop consists of invited lectures by eminent faculties drawn from academic institutes, research establishments and industries who have worked extensively on different aspects of recycling and waste management for circular economy.

In order to achieve our objectives, we need active participation of Industries, Research and Educational Institutes. We therefore request you to sponsor / advertise in the souvenir / nominate participants for the workshop. I am enclosing the brochure that contains all the details of the workshop and look forward to your positive response.

Prior confirmation of your participation can also be done by e-mail. Kindly send registration details along with draft / cheque drawn in favour of "PHCET Research and Development Account" payable at Mumbai.

With warm regards,

Sincerely

Prof. R.C. Prasad

Convener

Professor, Department of Mechanical Engineering PHCET Rasayani

Vice Chairman, SFA Mumbai Chapter
